## **Funky Festival Director Position on the East Coast of Tassie**

Rarely do these opportunities come along but we need someone to direct the Bicheno Food & Wine Festival.

We are 11 years old so we are ready to transition - we are here for the long haul.

We are community based and run by a voluntary board but boy... we think outside the square and are more than happy if you do too.

If you love or could love Tassie, have experience in running festivals that are community based - yes work with people who don't do it all the time - we would love to hear from you.

If you want to showcase Tassie food & drinks plus our local musicians and could get a kick out of doing all of this in the picturesque sea side town of Bicheno - this could be your gig.

There's lots of detail we can send you if you think this may rock your boat! If you want to know more, give Jenny Logie a call on 0409 401322 or email [jenlogie@bigpond.net.au](mailto:jenlogie@bigpond.net.au)
