Building Blocks October 2019 Newsletter

WITH ONE VOICE BREAK O'DAY

SENIOR'S WEEK COMMUNITY CHOIR PERFORMANCE

October 14th 12pm followed by a shared
lunch with St Helens Playgroup
FREE EVENT

PLAYGROUP FAMILIES INVITED
TO BRING A SPECIAL OLDER
PERSON ALONG

Break O'Day Child & Family Centre
1 Groom St, St Helens

In September Mariah and I were able to attend the Early Childhood Australia National Conference in Hobart. It was fantastic to hear the latest ideas and research into early childhood education and care, with the theme "from Vision to Action". We were also able to share the Building Blocks program approach and achievements. We look forward to sharing these new ideas over the next year.

In October we celebrate lots of special events including Children's Week. The national celebration of children's rights, talents and citizenship, which always celebrated around Universal Children's Day which is held on the fourth Wednesday of October in Australia. We will be hosting some "Teddy Bear Picnics", a Feed My Family Event in St Marys with delicious food and games for the whole family and lots of outdoor play, Hope everyone can come along.

We will also be marking Seniors Week from the 14 – 20th October. This year's over-arching Seniors Week theme is "Connections", with a particular emphasis on the many and various connections that occur in communities and neighbourhoods. The With One Voice Break O'Day Choir will be visiting St Helens Playgroup and sharing a delicious lunch and we encourage all families to bring a special older person in their lives along to Read Sing Create! In your area.
